Dear Sir:

This is a Petition to request a re-mailing of the Final Office Action that issued and was purportedly mailed on May 5, 2004.

As there was no activity on the above file, on or about September 29, 2004, I asked Jessica Ingoldt, a secretary with this Law Firm, to check the status on the Patent

450110-02767

Application Information Retrieval system (herein "PAIR") of this application. Ms. Ingoldt informed me that PAIR showed the latest activity as the issuance of a Final Office Action with a mailing date of May 5, 2004. Immediately upon learning this, I telephoned Examiner Chad Zhong. Examiner Zhong telephoned me on October 13, 2004, and confirmed that a Final Action did issue and that it was mailed out on May 5, 2004.

Applicant's attorney has examined his file of the above-identified application, but no Final Office Action was found therein. A copy of the docket log sheet of all incoming mail from the Patent and Trademark Office with a mailing date of May 5, 2004, is enclosed as evidence that Applicant's attorney never received the subject Office Action for Application Serial No. 09/656,969. As can be seen, the Patent log sheet for PTO mail date May 5, 2004 does not include an entry for Serial No. 09/656,969. Petitioner verily believes that said Office Action, if mailed, has gone astray, or alternatively, the Post Office did not deliver the same to the correct official address of applicant's attorney, and therefore, no response has been filed for the Office Action dated May 5, 2004.

On October 13, 2004, Examiner Zhong sent via facsimile, a copy of the subject Office Action to Applicant's attorney. While this courtesy is very much appreciated, since the Examiner did not reset the mailing date and the period within which to respond, applicant cannot respond in a timely manner.

Petitioner respectfully requests that the Final Office Action be re-mailed to Applicant's Attorney at the following mailing address, with a renewed mail-date, and the term for responding be reset with such mailing of the subject Final Office Action.

Prompt action has been taken pursuant to 37 C.F.R. 1.8(b).

It is believed that no fee is due for this Petition; however, if the Examiner deems that Petition Fee is due, then authorization is hereby given to charge Deposit Account No. 50-0320 with the Petition Fee.

Respectfully submitted,
